IGNITE ARB

GENERAL

Art. no.: G-1150-XS/M

EAN: 4030281295242

Standard: EN 358:2018
EN 813:2008

E-class number: 40-02-01-02

Customs no.: 63079098

Data sheet

IGNITE ARB

IGNITE ARB - the popular top-quality harness for arborists is now available in the modern IGNITE design. This work horse among arborist harnesses scores with top robustness and sturdiness, even when heavy tools or equipment such as chain saws are carried. Its construction features a special SLIDING BRIDGE (G-1152-1-20), which allows it to be easily replaced as needed without the use of tools or additional screws. A simple threading technique and a wear indicator considerably reduce risk potential. The SLIDING BRIDGE is available in various lengths and has versions with one or two rings. By adding the additional IGNITE ARB TOP, the waist harness can be equipped as a complete harness and thus certified to meet EN 361.

- Replaceable SLIDING BRIDGE
- Many practical gear loops
- Expandable with top part

FEATURES

Shoulder or leg padding:	yes
Belt strap coiler:	yes
Hand-washing:	40 °C
Gear loop:	yes
Max. service life:	10 Years
Max. number of persons:	1
Rated load:	140 KG
Back support:	yes
Temperature:	from 45 °C to -35 °C
Tool loop:	yes

DIMENSIONS

Size:	XS/M
Waist size:	60-100cm
Weight:	2,59 kg

MATERIAL

Material:	Polyethylene, Polyamide, Aluminium
Webbing material:	Polyester
Pole strap attachment point material:	Aluminium
Restraint travelling attachment point material:	Aluminium
Seat attachment point material:	Aluminium
Material Click buckle:	Steel
