E-class number:	40-01-11-01	Gross weight:	0.57 kg
Customs tariff number:	65061010		

DATASHEET

KIT INCEPTOR GRX + NECKX

This clever combination of INCEPTOR GRX and integrated neck protection: NECKX protects the neck area against the hazards of direct sunlight, which can often be a problem when working outdoors. The high-tech canvas fabric protects against UV rays and will keep you cool at the same time. The largest possible ventilation holes and ergonomic EPS thorax of the INCEPTOR GRX ensure exceptional wearing comfort. The neck strap allows continuous width adjustment from 54 to 63 cm. The chin strap is equipped with a Fidlock buckle: the ergonomic magnetic closure is easy to open and close with its secure and self-actuated engagement. The gear rack, multiple helmet clips and Euroslots allow additional accessories such as headlamps or hearing protection to be attached. The padding inside can be interchanged, cleaned or replaced. EN 12492:2012, meets partly EN 397:2012

FEATURES

Colour:	White, Black
