H01085 SLIP-ON WRIST ANCHOR

The GRIPPS Slip-On Wrist Anchor is a load-rated, wrist-mounted tether anchor engineered for the safe operation of hand tools at heights. Constructed from durable, high-strength materials, it provides a reliable attachment point for compatible tool tethers up to 2.5kg / 5.5lb.

The effortless slip-on design allows for rapid removal of the wrist anchor in the event of an emergency.

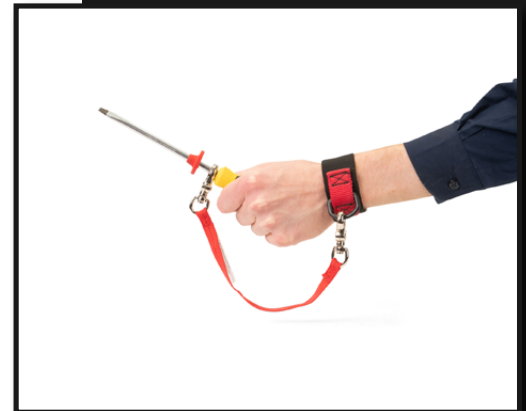

Available in three size options (small, medium, large), this budget friendly tether anchor is ideal for safely using hand tools at elevated heights.

2.5_{KG}

5.5_{LB}

MAX LOAD:

ENGINEERED FOR DROP PREVENTION

gripps.com

KEY FEATURES

Suitable for use with GRIPPS® certified wrist tethers.

Allows user to exit hand quickly, if required.
