DATASHEET

ULTRABASKET STRETCHER

Our basket stretchers are made of high-quality, impact-resistant ASA/ABS plastic and a sturdy aluminum frame. They are corrosion-resistant and insensitive to chemicals and temperature fluctuations. With a 40 mm thick, easy-to-clean mattress, they offer a high level of comfort. The adjustable footrest and recessed grips on the sides ensure safe handling. The all-round nylon rope offers additional fastening options. Rely on our robust and comfortable basket stretchers for effective rescue operations.

The textile components of the stretcher must be replaced after 10 years at the latest (from production date)

FEATURES

Colour: Orange

MATERIAL

Material: Polypropylene
