## DATASHEET

### SKN BFD SK12

The SKN BFD SK11 universal fall arrester with integrated energy absorber offers a large radius of movement thanks to its 10 m rope length. It is approved for user weights of up to 140 kilograms and can be used for both vertical ascents and horizontal work on fall edges thanks to its edge suitability.

#### FEATURES

|         |            |
|---------|------------|
| Colour: | White, Red |
|---------|------------|

|            |       |
|------------|-------|
| Hand wash: | 40 °C |
|------------|-------|

|                   |          |
|-------------------|----------|
| Maximum lifetime: | 10 years |
|-------------------|----------|

|                      |        |
|----------------------|--------|
| Minimum temperature: | -35 °C |
|----------------------|--------|

|                      |       |
|----------------------|-------|
| Maximum temperature: | 45 °C |
|----------------------|-------|

#### DIMENSIONS

|              |         |
|--------------|---------|
| Rope length: | 30.00 m |
|--------------|---------|

|                        |          |
|------------------------|----------|
| Lanyard rope diameter: | 11.00 mm |
|------------------------|----------|

#### MATERIAL

|           |                  |
|-----------|------------------|
| Material: | Polyamide, Steel |
|-----------|------------------|
